

END USER LICENSE AGREEMENT - DESKTOP FONT SOFTWARE

THIS IS A BINDING LEGAL AGREEMENT regarding the font software and the design of the typeface embodied within (collectively, the "Font Software") that you are downloading or purchasing from YouWorkForThem, for yourself, your company, your employer, or other principal (hereafter collectively referred to as "you"). If you refuse to accept a contractual obligation through this license agreement, you are not permitted to access, download, or use the Font Software. Please thoroughly and carefully read through this Agreement before purchasing, downloading, installing and/or using the Font Software, ANY OF WHICH SHALL INDICATE YOUR EXPRESS AGREEMENT TO THE FOLLOWING TERMS AND CONDITIONS.

The Font Software licensed under this Agreement and its inherent digital, device-readable, scalable data is supplied to you by YouWorkForThem for USAGE ONLY, and remains the intellectual property of the designer(s) of the Font Software.

YouWorkForThem and/or the designer(s) reserve all rights not expressly granted to you under this Agreement.

Upon receipt by YouWorkForThem of all applicable fees, and subject to your compliance with all of the terms and conditions of this Agreement, you are granted a non-exclusive, terminable and non-transferable license to use the YouWorkForThem Font Software in accordance with the following terms and conditions. You may not exceed the scope of this license. If you have negotiated and agreed to any additional terms and conditions, those must be in writing and signed or sent by YouWorkForThem, and must incorporate this Agreement by reference.

1. PERMITTED INSTALLATIONS AND USES

Use of the Font Software is strictly and explicitly limited to the number of End Users declared and paid for at time of purchase. For a single Desktop License purchase, the Font Software may be installed on not more than two (2) devices, such as desktop or laptop computer workstations, notebooks, netbooks, tablets, and/or smartphones. If the YouWorkForThem Font Software will be installed on more than two (2) devices, an additional End User must be purchased for each additional device. Standard Pricing: 1-2 End Users

This is the default price. Two (2) End Users are included.

Every additional user/computer beyond the first two is charged an additional 20% of the price. For example, a \$20 font for three (3) users costs \$24.00.*

Professional Multi-User Discount: 101 or More End Users For every additional five users/computers beyond the first 100, an additional 20% of the YouWorkForThem Font price will be added. For example, a \$20 font for 100 users costs \$412.00, while a \$20 font for 5000 users costs \$4,332.00.*

*While rare, if the Designer has opted out of the multi-user discount program on our website, each user beyond the first two will cost an additional full price.
